

Discover. Learn. Grow. JPC Horsemanship Week

**Horsemanship Week is more than a summer camp –
it's an experience your child will treasure for a lifetime!**

Weeklong sessions offer up-close, hands-on time in the company of horses. Your child will learn the basics of riding, horse care, feeding and grooming. Our experienced trainers and school horses provide opportunities for children to develop confidence and learn responsibility in a fun, safe environment. Each week wraps up with a "fun show" so the kids can show off their horsemanship skills to family and friends.

Our Beginner's session is designed for children 7-12 with minimal horse-related experience.

2013 Beginners Sessions:

- June 17-21
- June 24-28

Sessions run from 9am to noon, Monday through Friday.
